HUNTSVILLE

L. Dan Sanders
Interim Director

Traffic Engineering

FOR IMMEDIATE RELEASE

TO: ALL BROADCAST AND PRINT MEDIA

FROM: Dan Sanders

DATE: March 28, 2016

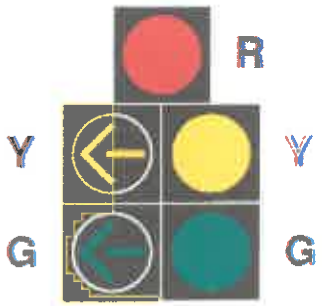
TIME: 4:00 PM

SUBJECT: **OPERATIONAL CHANGES TO THE TRAFFIC SIGNAL AT BYRD SPRING ROAD AND WHITESBURG DRIVE**

Please be advised –

Weather permitting, changes will be made to the operation of the traffic signal at Byrd Spring Road and Whitesburg Drive on Tuesday, March 29, 2016, at approximately 9:00 am.

The existing northbound Left Turn Signal will be changed from the 5-Section style, as shown here:



It will be replaced with a 4-Section style indication, with a Flashing Yellow Left Turn Arrow, as shown here:

A new southbound Flashing Yellow Arrow assembly will also be installed for drivers who wish to turn left onto Sherwood Drive from Whitesburg Drive.

Motorists are advised to use caution and obey all traffic control signs and signals at this location.

If further information is needed, please contact the Traffic Engineering Division at 256-427-6850.
