**RE: Proposal for Engineering Services: NPDES Permitting and Inspections
John Hunt Park**

Dear Mr. Hatfield:

Johnson & Associates, Inc. (hereinafter referred to as Consultant) is pleased to provide Engineering and Inspection support services for **NPDES Permitting and Inspections** for the John Hunt Park ('project').

Scope of Services

Project Scope includes the management and service of General Permit Number ALR109288 (NPDES permit) administered by ADEM for construction activities resulting in land disturbance activities. Because the project site does not discharge into a priority water of the state, as defined by ADEM, the CBMPP does not require ADEM approval. However, the approved Permit and the CBMPP must be kept current and on-site throughout the duration of the project construction for ADEM review and inspection.

Additionally, J&A will conduct Site Inspections throughout the construction duration to ensure compliance with the CBMPP and the approved Erosion and Sediment Control Plan. The inspections will be performed monthly and after each rainfall event of 0.75 inches or greater in any 24-hour period. These site inspections and follow-up reports will be conducted by our Qualified-Credentialed Professional (QCP). Our proposal is based on a one year construction duration, and average of 1.5 inspections per month during this period as well as the possibility of responding to any ADEM warnings. Our efforts will be coordinated with the Public Works office and other City departments as needed.

GENERAL REQUIREMENTS:

1. The Scope does not include payment of any permit fees required to regulatory agencies.
2. The terms of this agreement will remain in effect for 1 year from authorization to proceed.
3. The proposed fee is based on our understanding of the project requirements and the project duration of one year. Any change to the project scope or duration may result in adjustments to the fee proposal.
4. The Consultant shall bill the City for all work outlined in the Scope of Services according to the following terms: An hourly fee not to exceed \$7,485.00. All work will be billed monthly based on the hourly and unit rates outlined in the attached Standard Schedule of Hourly Fees.

Thank you for this opportunity to provide services for the City of Huntsville. If you have any questions or comments, please feel free to contact me.

Sincerely,
Johnson & Associates, LLC.

Nathan G. Johnson, PE, PLS
President
