City of Huntsville
2015 Tobacco Use Certification Policy

City of Huntsville group health plan subscribers who use tobacco products will be charged an additional \$25 per month in health insurance premiums.

If you and/or your spouse or dependent, if covered under the City's health insurance plan, smokes or uses tobacco products, you will pay a surcharge of \$25 per month for employee-only coverage, employee plus spouse, employee plus children or family coverage.

You will be automatically charged the tobacco user surcharge, unless you certify no one covered under your health insurance uses tobacco products and no one has used tobacco products within the past twelve (12) months. However, you can qualify for the regular premium rate if you and/or your spouse or dependent satisfactorily completes the tobacco cessation program offered by the City's group health plan, the tobacco cessation program offered by the City's Health & Wellness Center administered by CareHere or another tobacco cessation program as approved by the City's Insurance & Benefits office. Please note that if it is unreasonably difficult due to a medical condition for you and/or your spouse or dependent to qualify for the regular premium rate or if it is medically inadvisable for you and/or your spouse or dependent to attempt to achieve the standards to qualify for the regular premium rate under the group health plan, please contact the City's Insurance & Benefits office who will work with you to develop a reasonable alternative standard to qualify for the regular premium rate.

You are required to certify your tobacco use status and/or your covered spouse or dependent's tobacco use status every year. You are also required to resubmit a Tobacco Use Certification form if you and/or your covered spouse or dependent's tobacco status changes during the year. Newly hired or present employees, who enroll in the City's health insurance plan, must certify their tobacco use status and/or their covered spouse or dependent's tobacco use status by completing the Tobacco Use Certification form.

Please Note: All subscribers must submit certification concerning their tobacco use to the City's Insurance & Benefits Office annually during the Open Enrollment period. Be sure to keep a copy of the completed Tobacco User Certification form for your records.

If you and/or your covered spouse or dependent desire to participate in the group health plans' tobacco cessation program, you can contact the following:

It is your responsibility to contact an approved tobacco cessation program and sign up for tobacco cessation classes. For tobacco cessation programs, other than the tobacco cessation programs offered by Blue Cross and Blue Shield of Alabama or by the City's Health & Wellness Center administered by CareHere, you may incur a fee which is not covered by the City of Huntsville's group health plan.

ADMINISTRATIVE SERVICES AGREEMENT
between
BLUE CROSS AND BLUE SHIELD OF ALABAMA

Birmingham, Alabama 35244-2858
(herein called the Claims Administrator)

and

City of Huntsville
308 Fountain Circle
Huntsville, Alabama 35801
(herein called the Employer)

ARTICLE I - INTRODUCTION

The effective date of this Agreement is 12:01 a.m. on the date stated on the cover page of this Agreement, and from year to year thereafter unless and until terminated pursuant to Article VI. All other previous signed ASAs are hereby terminated on the effective date of this agreement. If there is any inconsistency between this Agreement and the Implementation or Enrollment Agreement between the parties, the terms of this Agreement shall control. This Agreement is issued and delivered in the State of Alabama, and is governed (subject to any applicable federal laws) by the laws of the state of Alabama. Article VII contains defined terms that are used in this Agreement. Unless the context clearly requires otherwise, any defined terms contained in the Plan, when used in this Agreement, shall have the same meaning as in the Plan. The Claims Administrator provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

The Claims Administrator has executed this Agreement and sent it to the Employer at the address appearing in the records of the Claims Administrator. The Claims Administrator intends to rely upon the terms of this document in its administration of the Plan. The Employer understands and acknowledges that, if it fails to respond to reasonable requests by the Claims Administrator for the Employer to return a signed copy of the Agreement or propose written changes, the Agreement shall be deemed binding and in full effect as of the effective date stated on the cover page.

ARTICLE II - ALLOCATION OF ADMINISTRATIVE DUTIES

The Employer and the Claims Administrator each agree to perform the administrative duties identified in this Article II. Each party shall perform these duties consistent with applicable laws.

A. Eligibility and Enrollment

1. Claims Administrator's Duties. The Claims Administrator will furnish appropriate application forms and related material and will provide such assistance as may be reasonably necessary for the Employer to enroll its employees, former employees, and their eligible dependents in the Plan. The Claims Administrator will maintain up-to-date eligibility status records on all enrolled Members as submitted by the Employer. The Claims Administrator will issue identification cards to each Member who is enrolled in the Plan and who is certified as eligible by the Employer.
2. Employer's Duties. The Employer will determine whether and when employees, former employees, or dependents are eligible to enroll in the Plan. The Employer will provide timely and accurate data to the Claims Administrator that appropriately identifies all employees, former employees, and dependents who are enrolled or disenrolled in the Plan and the effective dates of such enrollment or disenrollment.
3. Other.
 - a. The Claims Administrator will rely on eligibility information submitted by the Employer as satisfying the terms of the Plan and the requirements of the Medicare Secondary Payer

(MSP) statutes and regulations (42 U.S.C. Section 1395(y), and 42 CFR Part 411, Subparts B-H). If the Centers for Medicare and Medicaid Services (CMS) makes demand upon the Employer for repayment or other remedy in cases which CMS determines that the Plan should have paid primary, the Claims Administrator is authorized to repay CMS and add that amount to the next invoice for the Cost of Claims in Article III. Upon request, the Employer will promptly provide written authorization to the Claims Administrator to repay CMS. The Employer agrees that, if it fails to provide prompt written authorization, it will be responsible for interest and penalties, as applicable that may be due to CMS.

- b. If the Employer retroactively cancels coverage for one or more Members, the Claims Administrator will not request refunds of payments made more than 60 days before the date on which the Employer satisfactorily notifies the Claims Administrator of the retroactive cancellation. The Claims Administrator will credit any payments recovered for the 60-day retroactive cancellation period to the Cost of Claims pursuant to Article III. Prior to obtaining refunds, the Claims Administrator may request satisfactory assurance from the Employer that the Member has been properly retroactively terminated pursuant to the Affordable Care Act (including the completion of any appeals) and has been properly offered and declined to elect COBRA coverage. Any refund to the Employer of the Administrative Charge paid with respect to retroactively cancelled Members will not exceed the Administrative Charge paid or payable with respect to such Members for the 60-day retroactive cancellation period.
- c. Without in any way limiting the generality of any other provision of the Agreement, Employer understands and acknowledges that Employer is solely and completely responsible for the Plan's compliance with COBRA, HIPAA, the Affordable Care Act and other applicable laws as such laws may affect any Member's retroactive loss of coverage under the Plan. Furthermore, and without in any way limiting the generality of Article V, Employer agrees to hold the Claims Administrator harmless, to the extent permitted by law, from and against any and all loss or liability that the Claims Administrator may incur as a result of any Member's retroactive loss of coverage under the Plan.

B. Customer Service

The Claims Administrator will provide Members with access to a toll-free Customer Service phone number during the hours of 8:00 a.m. to 5:00 p.m., central time, on days during which the Claims Administrator is open for business. Customer Service will respond to requests from Members concerning claims processing and adjudication and will coordinate - when necessary - requests for information that involve other departments of the Claims Administrator.

C. Benefit Booklet (Summary Plan Description)

1. Claims Administrator's Duties. The Employer requests the Claims Administrator to prepare a benefit booklet that will serve as a summary plan description (SPD) or summary of material modifications (SMM). Pending finalization of the benefit booklet, the Employer directs the Claims Administrator to process benefits and terms under the plan in accordance with the provisions of the Group Enrollment or Implementation Agreement, this Agreement, the standard benefit language maintained by the Claims Administrator for the type of plan established by the Employer herein, and any draft benefit booklets treated as "operative" by the Claims Administrator. A draft benefit booklet shall be considered operative by the Claims Administrator when the booklet serves as the primary, but not the sole, instrument upon which the Claims Administrator bases its administration of the Plan, without regard to whether the booklet is finalized or distributed to the Plan's participants. If there is any conflict between any of the foregoing documents, the Claims Administrator is directed to resolve such conflict in a manner that best effectuates the intent of the Employer and the Claims Administrator as of the date on which claims were incurred.
2. Employer's Duties. The Employer acknowledges and understands that it is the plan administrator and plan sponsor of the Plan under applicable law and/or the terms of the Plan. Among other things, this imposes upon the Employer the sole legal responsibility to (i) prepare the benefit booklet, (ii) determine whether the benefit booklet distributed to Plan participants satisfies applicable legal requirements, (iii) ascertain that the booklet accurately and fully describes the benefits that the Employer intends the Claims Administrator to provide or administer, and (iv),

distribute the booklet in a timely fashion and appropriate manner to Plan participants. Nothing in this Agreement and no actions taken by the Claims Administrator are intended to delegate any of the Employer's responsibilities under the Plan or applicable law to the Claims Administrator.

D. Required Reports

1. Claims Administrator's Duties. The Claims Administrator will send to the Employer such information that the Claims Administrator has within its possession as is necessary for the Employer to prepare, file, and/or distribute reports for the Plan required by law or regulation.

Claims Administrator's Pharmacy Benefit Manager ("PBM") may require payment for any non-standard prescription drug reports requested by Employer. Employer agrees to pay to Claims Administrator any additional PBM fees related to such non-standard reports.

2. Employer's Duties. The Employer will prepare, file, and/or distribute reports for the Plan required by law or regulation.

D. Summary of Benefits and Coverage (SBC) and Uniform Glossary

The Employer may prepare their own SBC and Uniform Glossary or may request the Claims Administrator to prepare both documents. At the request of the Employer, the Claims Administrator will prepare a draft SBC for the benefits that the Claims Administrator administers under the Plan that the Employer may use either as the SBC or in connection with the preparation of its own SBC. In either case, the Employer acknowledges and understands that the Affordable Care Act imposes upon the Employer the sole legal responsibility to (i) prepare the SBC and Uniform Glossary (ii) determine whether the SBC and Uniform Glossary distributed to Plan participants satisfies the requirements of the Affordable Care Act, and (iii), distribute the SBC and the Uniform Glossary in a timely fashion and appropriate manner to Plan participants. Nothing in this Agreement and no actions taken by the Claims Administrator are intended to delegate any of the Employer's responsibilities under the Plan or applicable law to the Claims Administrator.

E. Claims Processing and Adjudication

1. Claims Administrator's Duties. The Claims Administrator will exercise the discretionary authority to process and adjudicate claims under the Plan. This authority encompasses all determinations and findings necessary to process and adjudicate claims, such as the discretionary authority to construe and apply the Plan, make findings of fact, and determine whether services or supplies are medically necessary (within the meaning of the Plan) or otherwise satisfy the medical standards or guidelines required for payment of benefits under the Plan (such as, for example, the requirement that medical services or supplies not be experimental or investigational). The Claims Administrator will include a description of its claims procedures in the draft benefit booklet prepared by the Claims Administrator in accordance with Section C above. The Employer will be responsible for making all eligibility determinations under the Plan. It is the Employer's intent that the Claims Administrator's determination be given the highest level of deference and finality permitted under applicable law.
2. Employer's Duties. The Employer may, in writing, instruct the Claims Administrator to prospectively pay or deny specified claims or a class of claims that the Employer has determined in its discretion are, or are not, payable under the Plan. The Claims Administrator will comply with such instructions to the extent permissible under the Claims Administrator's provider contracts and to the extent the Claims Administrator has not relied to its detriment on prior practice or Plan interpretation.

F. Appeals

1. Administrative Appeals
 - a. Claims Administrator's Duties The Claims Administrator will exercise the discretionary authority to review denied claims and if applicable, follow the requirements under the

Affordable Care Act. The Claims Administrator will be responsible for providing the Member with a full and fair review of his or her denied claim. The Claims Administrator will include a description of its appeal procedures in the draft benefit booklet prepared by the Claims Administrator in accordance with Section C above. It is the Employer's intent that the Claims Administrator's determination be given the highest level of deference and finality permitted under applicable law. It shall be the responsibility and duty of the Employer to comply with any applicable notice provisions, appeal provisions and other provisions of the Affordable Care Act related to Employer's initial Member eligibility determinations and retroactive cancellations.

- b. Employer's Duties The Employer may, in writing, instruct the Claims Administrator to prospectively grant or deny specified appeals or a class of appeals that the Employer has determined in its discretion are, or are not, consistent with the terms of the Plan. The Claims Administrator will comply with such instructions to the extent permissible under the Claims Administrator's provider contracts and to the extent that the Claims Administrator has not relied to its detriment on prior practice or Plan interpretation.

2. Affordable Care Act External Reviews

If the Plan is subject to the external review requirements under the Affordable Care Act, it is the desire and understanding of the Employer that, in order to comply with the applicable external review provisions under the Affordable Care Act (including applicable regulations, Technical Guidance and other guidance issued from time to time thereunder), the Claims Administrator has entered into, and will endeavor to enter into and to maintain agreements with at least three (3) independent review organizations to furnish external review services to Members in accordance with the provisions of the Affordable Care Act applicable to self-funded group health plans. If the Plan is subject to the external review requirements under the Affordable Care Act, Employer hereby authorizes and directs Claims Administrator to accept external review requests from Members and assign such requests to its independent review organizations to administer such external reviews in accordance with the provisions of the Affordable Care Act applicable to self-funded group health plans.

G. **Managed Care Services**

When applicable under the Plan, the Claims Administrator will exercise the discretionary authority to make determinations that are necessary or appropriate for Case Management, Disease Management, Care Coordination, and other similar Managed Care Programs.

H. **Actuarial Services**

Upon reasonable request, the Claims Administrator will provide the Employer with Claims cost projections and analyses and such other actuarial and statistical data as may be reasonably requested by the Employer to perform its administrative and Plan design responsibilities.

I. **COBRA**

1. Claims Administrator's Duties. The Claims Administrator will receive monthly COBRA premium payments directly from Members to whom the Employer has offered COBRA coverage and who have elected to purchase such coverage. Upon receipt of timely premium payments in the applicable amount certified by the Employer, the Claims Administrator will provide COBRA benefits to qualified beneficiaries for the shorter of (i) the period of time such benefits are required to be provided under COBRA, or (ii), the period of time this Agreement remains in effect.
2. Employer's Duties. The Employer will determine whether a Member is entitled to continue coverage under COBRA and will provide the required notices and COBRA application form to a Member who is so entitled. The Employer will determine the amount of the monthly COBRA premium and notify the Claims Administrator of that amount pursuant to a procedure to be agreed upon by the Employer and the Claims Administrator.

J. Certificates of Creditable Coverage/HIPAA

1. Claims Administrator's Duties. The Claims Administrator will furnish certificates of creditable coverage to Members. These certificates will verify the duration of coverage administered by the Claims Administrator, and will be issued when there is a break in coverage of at least one day.
2. Employer's Duties. The Employer will issue supplemental certificates of creditable coverage as necessary to certify coverage under any additional benefit option under the Plan. The Employer is responsible for the Plan's compliance with the provisions of Title I of the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

K. HIPAA Privacy and Security

1. Claims Administrator's Duties. The Claims Administrator will function as a business associate of the Plan in accordance with the privacy and security regulations issued by the Secretary of Health and Human Services under HIPAA. The Claims Administrator will sign a separate business associate agreement with the Plan attached hereto as Exhibit A and incorporated by reference. In the event of any conflict between any other provision of this Agreement and the Business Associate Agreement, the Business Associate Agreement shall control.
2. Employer's Duties. The Employer is responsible for the Plan's compliance with the HIPAA privacy and security regulations and for its own compliance, as Plan sponsor, with those regulations.

L. National Medical Support Notices

1. Claims Administrator's Duties. The Claims Administrator will enroll a child as directed by the Employer pursuant to the terms of a National Medical Support Notice (NMSN).
2. Employer's Duties. The Employer will determine whether a medical support notice is a NMSN and notify the Claims Administrator of its determination.

M. Subrogation

The Claims Administrator shall pursue subrogation and reimbursement recoveries where appropriate. Subrogation and reimbursement recoveries shall be credited to the Cost of Claims as provided for in Article III.

N. Litigation Involving the Plan

1. The Claims Administrator is authorized but not required to provide a defense against claims for benefits and other litigation involving the Plan. The Claims Administrator is further authorized to act on behalf of the Plan and the Employer with regard to settlement of any claims for which it provides a defense. The Claims Administrator is further authorized in its discretion to determine whether and when in its judgment the Plan should be added as a necessary party to litigation.
2. The Employer shall in all cases remain responsible for the cost of benefit payments under the Plan, regardless of whether such payments are made pursuant to settlement of litigation or court order and regardless of whether benefit payments are denominated as such or as some form of damages or other liability. The Employer's obligation to fund any such benefit payments shall survive the termination of this Agreement.
3. The Claims Administrator is authorized to act on behalf of the Plan and the Employer in litigating and settling cases or controversies that involve multiple plans and plan participants, whether arising in contract, tort or any other legal theory. Examples include, but are not limited to, cases arising out of defective medical devices or medicines, overpayments, and provider fraud or provider suits where the provider has sued multiple Blue Cross entities. Any amounts recovered, less all direct costs such as outside attorneys' fees, will be credited against the monthly charges in Article III. In some cases the applicable amount recovered may have to be estimated when, for example, a court will not release information that would allow identification of the plans and/or

participants involved and the settlement is based upon the number of lives in all plans covered by the Claims Administrator compared to the total number of lives covered by the industry.

O. Stop-Loss Insurance

1. Claims Administrator's Duties. Upon written request, the Claims Administrator will provide stop-loss reports to the Employer on adjudicated claims.
2. Employer's Duties. The Employer is responsible for selecting and maintaining in force, if desired, suitable stop-loss insurance coverage and for giving all required notifications to the stop-loss insurer.

P. Employer as Plan Sponsor

1. The Employer is the Plan sponsor. As such, the Employer is responsible for notifying Members of any lapse or loss of coverage or changes to or termination of this Agreement to the extent required by law.
2. As Plan sponsor, the Employer also exercises non-fiduciary discretion concerning the design of the Plan. The Employer acknowledges that changes in Plan design may be limited by the capabilities of the Claims Administrator's claims processing systems or prior medical necessity certifications that the Claims Administrator may have provided in reliance on the existing Plan design. The Employer therefore agrees that it will not implement a change in Plan design or communicate a change to Members unless the Employer gives the Claims Administrator a reasonable period of time - prior to implementation of the proposed change - to review and comment on the proposed change and its effective date. If, after consultation with the Employer, the Claims Administrator determines that it will be unable to administer the proposed change as of the desired or any later effective date, it shall so advise the Employer and the Employer shall assume full responsibility for administration of the change.

ARTICLE III - FINANCIAL ARRANGEMENT

A. Payment Procedures

1. The Claims Administrator will call and/or fax the Employer by 2:00 p.m. central time each Thursday of the week to advise of the pending Cost of Claims level specified below in this Article III.
2. The Employer will transfer funds for the Cost of Claims and Administrative Charges into an account designated by the Claims Administrator by the close of business each Friday. In recognition of the Claims Administrator's risk of reimbursement for the Cost of Claims (as defined below), it is agreed that if the Employer fails to transfer sufficient funds to pay the pending Cost of Claims, the Claims Administrator may at its discretion (i) suspend all pending Claims automatically without notice to the Employer or any Member until it has sufficient reassurance that there has been transferred an amount into the account sufficient to pay the Claims Administrator for the Cost of Claims and (ii) recall payments for Claims already made but for which there is an insufficient amount in the account to pay the Cost of Claims.
3. The Claims Administrator will provide the Employer with a statement reconciling the level of Cost of Claims paid plus Administrative Charges versus deposits at the end of each month. Following the reconciliation, any amount due to or from the Employer will be adjusted on a subsequent wire transfer.

B. Cost of Claims

The Claims Administrator's charge to the Employer for Claims will be the amount which the Claims Administrator is ultimately obligated to pay for such Claims including, but not limited to, retroactive adjustments or supplemental payments required by various provider agreements. For example, the Employer must pay the Claims Administrator for Claims incurred before the termination of the

Agreement but paid after it terminates, as provided under "Run-out" below. Such Claims will be reflected in a monthly detail listing sent to the Employer.

The Cost of Claims will be adjusted upwards or downwards, as applicable, by the following:

1. Net Subrogation Recoveries: The net amount recovered through Subrogation will be credited against the Cost of Claims.
2. Access Fees: Access fees, if applicable under Article V, will be added to the Cost of Claims.
3. Credit for Multi-Plan Litigation: The Claims Administrator will reduce the Cost of Claims by the amount of any applicable recovery allocated to the Employer as a result of awards, settlements, or judgments involving multi-plan litigation as described in Article II.
4. Prescription Drug Rebates: The Claims Administrator contracts with a Pharmacy Benefit Manager (PBM) to provide PBM services. Some manufacturers of prescription drugs currently provide volume rebates on their drugs to the PBM, a portion of which will be credited by the Claims Administrator towards the Cost of Claims. In no case will the rebates alter the paid amount of any individual Claim.

C. Administrative Charges

Effective October 1, 2014 through September 30, 2017, the employer will pay the claims administrator a monthly Administrative charge of \$39.00 per covered contract holder or former contract holder for health (excluding any credits for prescription drug rebates and any charges for access fees). In addition, the Claims Administrator retains the Administrative Charge permitted to be charged under the COBRA regulations and paid by the COBRA contract holder.

Claims Administrator's Pharmacy Benefit Manager ("PBM") may require payment for any non-standard prescription drug reports requested by Employer. Employer agrees to pay to Claims Administrator any additional PBM fees related to such non-standard reports.

D. Run-out

Effective October 1, 2014 through September 30, 2017, in the event of termination of this Agreement, the Employer will pay the Claims Administrator for the Cost of Claims on all claims that were incurred, but not paid by the Claims Administrator before the effective date of the termination of this Agreement. This provision will apply to all claims originally filed within the timely filing period set forth in the Plan as in effect prior to termination of this Agreement. In addition, the Employer will pay the Claims Administrator an Administrative Charge of 5.9% of the Cost of Claims for health during the run-out period. The Cost of Claims and Administrative Charge will be paid on the same basis as set forth in Article III.A.

E. Quit for Life Tobacco Cessation Program

The Claims Administrator contracts with a third party to provide telephonic tobacco cessation counseling with nicotine replacement therapy (NRT). The Employer will pay the Claims Administrator a separate charge per participant in the program of \$157 for five counseling sessions, self-help materials, and 12 months of unlimited inbound calls for members who currently use tobacco or who have recently quit and need additional support. In addition, the Employer will pay the Claims Administrator a separate charge per participant for nicotine replacement therapy of: \$130 for an eight week supply of 21 mg nicotine patches, \$140 for an eight week supply of 14 or 7 mg nicotine patches, \$150 for an eight week supply of 4 or 2 mg nicotine gum, and \$150 for an eight week supply of 4 or 2 mg nicotine lozenges. Pricing for the NRT program is under a contractual agreement with the Quit for Life program and is subject to change at the discretion of Free and Clear. Free and Clear/Alere Wellbeing is the company that administers the American Cancer Society Quit For Life program.

All NRT products (patch, gum or lozenge) are subject to NRT sales/use tax when purchased in the states of Washington, Indiana and Oklahoma. The sales/use tax rate is based upon the city, county and state where the member actually resides. Currently, the tax rate for the above mentioned states varies from 4-11%. Our group billing process will not itemize the sales/use tax charges. Rather, the sales/use tax will be incorporated into the total NRT charges for that member. A slight variation in charges may be noticed for members who reside in the affected states.

ARTICLE IV - CLAIMS AUDITS

A. Purpose

The following rules are designed to:

1. Establish a procedure by which the Employer or its authorized representatives may conduct comprehensive audits and reviews of the accuracy of the Claims Administrator's processing of Claims under the Plan in order to identify any improperly processed Claims;
2. Establish the procedure that the Claims Administrator will follow to correct any identified Claims errors;
3. Protect the legitimate business interest of the Claims Administrator; and,
4. Facilitate the protection of individually identifiable health information.

B. Employer's Audit Rights

1. The Employer may engage the services of any person or entity (hereinafter referred to as "Auditor") to audit the accuracy of the Claims Administrator's payment of Claims under the Plan. Except as provided for in the next paragraph, all costs of an audit or review shall be borne by the Employer. For purposes of this Agreement, the term "audit" means the examination of a sample of Claims consistent with generally accepted auditing standards. Sample size will be determined in a fashion consistent with generally accepted auditing standards, not to exceed a size that would be selected using statistically valid sampling techniques. If any questions should arise concerning the audit sample size, the parties will negotiate in good faith to reach a mutually agreed upon resolution. The agreed upon sample size shall not preclude the subsequent review and correction of all Claims affected by any systematic error identified during the audit.
2. The Claims Administrator will provide appropriate staff to support Plan audits (as defined above), the costs of which are included in the Employer's administrative fees. If the Employer or Auditor wishes to conduct a review of paid Claims on any basis other than generally accepted auditing standards, the Employer and Claims Administrator will negotiate a mutually agreed upon fee, to be paid by the Employer, necessary to cover the additional costs incurred by the Claims Administrator for such a review. Prior to undertaking the audit, the Employer shall require the Auditors to execute a confidentiality agreement in a form satisfactory to the Claims Administrator.
3. Audits of Claims must be (i) commenced within 24 months of the date the Claims were paid, and (ii) completed and submitted to the Claims Administrator within 36 months of the date the Claims were paid. The Employer will be deemed to have accepted as correct the processing of all Claims with respect to which an audit is not commenced, completed, and submitted to the Claims Administrator within the foregoing time frames.
4. The Employer understands and acknowledges that information, data, documentation, or software disclosed by the Claims Administrator in the course of or related to the audit contains individually identifiable health information about Plan Members ("Member Health Data") as well as information that is proprietary to the Claims Administrator's business operations ("Proprietary Data"). The Employer further understands and acknowledges that all Proprietary Data is confidential and a valuable trade secret of the Claims Administrator, and that any disclosure or use of such data for any purpose other than to evaluate the accuracy of the Claims

Administrator's processing of Claims under this Agreement will cause irreparable harm and loss to the Claims Administrator. Proprietary Data includes, but is not limited to, UCR limits, negotiated provider payments, hospital per-diems, retroactive reimbursement mechanisms, and other negotiated terms between the Claims Administrator and hospital and medical providers. In view of the foregoing, the Employer agrees that neither it nor the Auditors shall release or disclose to any third party any data or information obtained from the Claims Administrator during the course of the audit without first affording the Claims Administrator the opportunity to determine whether such data or information includes any Proprietary Data. This information does not apply to information that 1) was previously known to recipient; 2) is or becomes publicly available through no fault of recipient; 3) is disclosed to recipient by a third party having no obligation of confidentiality to discloser relating to such Confidential Information; 4) is independently configured by recipient; or 5) is required to be disclosed as a matter of law. If it does, the Claims Administrator may require the removal of Proprietary Data from the material to be released or disclosed.

5. The Employer warrants that the Plan will enter into a suitable business associate agreement with the Auditors prior to the commencement of the audit. This agreement will authorize the Claims Administrator to release Member Health Data to the Auditors.

C. Procedures for Audits of Claims

1. The Employer shall provide prior written notice to the Claims Administrator regarding its intention to perform an audit or review of the Claims Administrator's accuracy of Claims payments.
2. The Auditors may contact the hospital or medical providers with whom Blue Cross and Blue Shield of Alabama or another Blue Cross/Blue Shield Plan has a contract without written consent of the Claims Administrator only in order to confirm payment of the audited Claims. All other contact with providers regarding Blue Cross or Blue Shield payments must first receive written consent of Blue Cross and Blue Shield of Alabama.
3. The Employer will furnish the Claims Administrator a copy of the completed audit report. Upon receipt of the audit report, the Claims Administrator will provide a written statement to the Employer of any disputed findings or conclusions.
4. Should the Auditors identify disputed Claim payments under the Plan, the Employer and the Claims Administrator shall in good faith determine if the claims payments are in error and allocate responsibility for such errors among themselves, based on the relative degree of fault of each party. With respect to Claims errors that the parties determine are the responsibility of the Claims Administrator, the Claims Administrator will make a refund to the Employer of such erroneous payments and may thereafter, for its own account, recover the amount of the refund from the provider or the Member. In all other cases, the Claims Administrator will request a refund of the Claim (to the extent permitted by law) from the provider, Member, or in the case of claims paid through the BlueCard Program, the Host Plan, except to the extent that the retroactive eligibility adjustment provisions of Article II provide otherwise. Upon receipt of the refund, the Claims Administrator will credit the Employer with the amount of the refund.

Notwithstanding anything in this Article IV to the contrary, no adjustments or refunds shall be made on the basis of statistical projections of sample dollar errors.

ARTICLE V - GENERAL PROVISIONS

A. Delegation of Discretionary Authority

The Employer hereby delegates to the Claims Administrator the discretionary responsibility and authority to process and adjudicate Claims under the Plan, to construe, interpret, and administer the Plan, and to perform every other act necessary or appropriate in connection with the Claims Administrator's provision of administrative services hereunder. To the extent not delegated to the Claims Administrator in this agreement or pursuant to the terms of the Plan, the Employer retains the discretionary authority to manage and administer the Plan.

Except as provided in sections II(E) and II (F) herein, whenever the Claims Administrator makes reasonable determinations that are neither arbitrary nor capricious in its administration of the Plan, those determinations will be final and binding on the Plan's participants or beneficiaries, subject only to applicable rights of review under the Plan and thereafter to judicial review to determine whether the Claims Administrator's determination was arbitrary or capricious.

B. Indemnification and Reliance on Employer Directions

To the extent provided by applicable state and federal laws, each party agrees to indemnify, defend, and hold the other harmless from and against any liability that the other party may incur as a result of the indemnifying party's breach of this Agreement or failure to comply with applicable law; provided that the Employer will in all cases remain responsible for payment of benefits under the Plan.

The Claims Administrator is entitled to rely on instructions, communications, or directions from the Employer concerning Plan design, eligibility determinations, benefit changes, and other areas of Plan administration for which the Employer is responsible. The Claims Administrator has no obligation or responsibility to question or refuse to follow such instructions, communications, or directions. The Employer will indemnify, defend, and hold the Claims Administrator harmless from any liability arising from the Claims Administrator's reliance on such instructions, communications, or directions.

C. Late Payment

If the Administrative Charges specified in Article III are not paid by the last day of the month in which such Charges are due, the Employer shall pay the Claims Administrator a penalty for each day such Charges are deemed late. The amount of the penalty will be calculated daily and will be based on the overnight repurchase rate that was in effect on the last day of the month in which the charges were due. This rate is published in the Money Rates section of the Wall Street Journal.

Charges are "late" each day a check in the proper amount, which is not returned for any reason, is not received by the Claims Administrator.

D. Premium Taxes

The Claims Administrator will not invoice for any state premium taxes; provided that if a portion of Plan benefits are provided through separate, underwritten, arrangements (such as Expanded Psychiatric Services), the Employer understands and acknowledges that premium taxes attributable to such underwritten arrangements will be billed to the Employer as a part of the premium or as a part of the Administrative Charge.

E. Affordable Care Act Fees and Taxes

Employer is responsible for calculating, remitting and paying to the appropriate federal agencies all Affordable Care Act fees and taxes that apply to the Plan.

F. Changes in Agreement

1. The Employer and the Claims Administrator may amend this Agreement at any time without notice to any employee or dependent through the mutual written agreement of the Claims Administrator (duly executed by its officer authorized to do so) and of the Employer (duly executed by its officer authorized to do so). Amendments to the Enrollment or Implementation Agreement that are duly adopted after the effective date of this Agreement that affect the financial arrangement between the parties shall be deemed to amend the financial provisions of this Agreement.
2. No representative or employee of the Claims Administrator is authorized to amend or vary the terms and conditions of this Agreement or to make any agreement or promise not specifically contained herein or to waive any provision hereof other than by the means prescribed above in this Article V.

G. Notices

1. Any notice given by the Claims Administrator under this Agreement shall be sufficient and effective for all purposes if and when mailed to the Employer at the following address: City of Huntsville, 308 Fountain Circle, Huntsville, AL 35801, ATTN: Byron Thomas, Director of Human Resources.
2. Any notice given to the Claims Administrator by the Employer shall be sufficient if mailed to the Claims Administrator at 450 Riverchase Parkway East, Birmingham, Alabama 35244-2858.
3. All notices by or to the Claims Administrator shall be in writing.

H. Out-of-Area Services

Blue Cross and Blue Shield of Alabama has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Programs." Whenever Members access healthcare services outside the geographic area Blue Cross and Blue Shield of Alabama serves, the claims for those services may be processed through one of these Inter-Plan Programs and presented to Blue Cross and Blue Shield of Alabama for payment in accordance with the rules of the Inter-Plan Programs policies then in effect. The Inter-Plan Programs available to Members under this agreement are described generally below.

Typically, Members, when accessing care outside the geographic area we serve, obtain care from healthcare providers that have a contractual agreement (i.e., are "participating providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, Members may obtain care from non-participating healthcare providers. Our payment practices in both instances are described below.

I. BlueCard® Program

Under the BlueCard® Program, when Members access covered healthcare services within the geographic area served by a Host Blue, we will remain responsible to Employer for fulfilling our contractual obligations. However, in accordance with applicable Inter-Plan Programs policies then in effect, the Host Blue will be responsible for providing such services as contracting and handling substantially all interactions with its participating healthcare providers. The financial terms of the BlueCard® Program are described generally below. Individual circumstances may arise that are not directly covered by this description; however, in those instances, our action will be consistent with the spirit of this description.

1. Liability Calculation Method Per Claim

The calculation of Member liability on Claims for covered healthcare services processed through the BlueCard® Program will be based on the lower of the participating healthcare provider's billed covered charges or the negotiated price made available to us by the Host Blue.

The calculation of your liability on Claims for covered healthcare services processed through the BlueCard® Program will be based on the negotiated price made available to us by the Host Blue. Sometimes, this negotiated price may be greater than billed charges if the Host Blue has negotiated with its participating healthcare provider(s) an inclusive allowance (e.g., per case or per day amount) for specific healthcare services.

Host Blues may use various methods to determine a negotiated price, depending on the terms of each Host Blue's healthcare provider contracts. The negotiated price made available to us by the Host Blue may represent a payment negotiated by a Host Blue with a healthcare provider that is one of the following:

- (a) the actual price. An actual price is a negotiated payment without any other increases or decreases, or
- (b) an estimated price. An estimated price is a negotiated payment increased or reduced by a percentage to take into account certain payments negotiated with the provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, provider refunds not applied on a claim-specific basis, retrospective settlements, and performance-related bonuses or incentives, or
- (c) an average price. An average price is a percentage of billed covered charges representing the aggregate payments negotiated by the Host Blue with all of its healthcare providers or a similar classification of its providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

Host Plans using either the Estimated Price or Average Price, will, in accordance with InterPlan Programs policies, prospectively increase or reduce such prices to correct for over- or underestimation of past prices (i.e., prospective adjustments may mean that a current price reflects additional amounts or credits for claims already paid to providers or anticipated to be paid to or received from providers). However, the amount paid by the Member and you is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims. The BlueCard® Program requires that the price submitted by a Host Blue to us is a final price irrespective of any future adjustments based on the use of estimated or average pricing.

If a Host Blue uses either an estimated price or an average price on a claim, it may also hold some portion of the amount that you pay in a variance account, pending settlement with its participating healthcare providers. Because all amounts paid are final, neither variance account funds held to be paid, nor the funds expected to be received, are due to or from you. Such payable or receivable would be eventually exhausted by healthcare provider settlements and/or through prospective adjustment to the negotiated prices. Some Host Blues may retain interest earned, if any, on funds held in variance accounts.

A small number of states require Host Blues either (i) to use a basis for determining Member liability for covered healthcare services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or (ii) to add a surcharge.

Should the state in which healthcare services are accessed mandate liability calculation methods that differ from the negotiated price methodology or require a surcharge, we would then calculate Member liability and your liability in accordance with applicable law.

2. Returns of Overpayments

Under the BlueCard® Program, recoveries from a Host Blue or from participating healthcare providers can arise in several ways including, but not limited to, anti-fraud and abuse recoveries, healthcare provider/hospital audits, credit balance audits, utilization review refunds, and unsolicited refunds. In some cases the Host Blue will engage a third party to assist in identification or collection of recovery amounts. The fees of such a third party may be netted against the recovery. Recovery amounts determined in this way will be applied in accordance with applicable Inter-Plan Programs policies, which generally require correction on a Claim-by-Claim or prospective basis.

3. BlueCard® Program Fees and Compensation

Employer understands and agrees to reimburse Blue Cross and Blue Shield of Alabama for certain fees and compensation which we are obligated under the BlueCard® Program to pay to the Host Blues, to the Blue Cross and Blue Shield Association (BCBSA), and/or to BlueCard® Program vendors, as described below. Fees and compensation under the BlueCard® Program may be revised in accordance with the Program's standard procedures for revising such fees and compensation, which do not provide for prior approval by any groups. Such revisions typically are made annually as a result of Program policy changes and/or vendor negotiations. These revisions

may occur at any time during the course of a given calendar year, and they do not necessarily coincide with your benefit period under this agreement.

Blue Cross and Blue Shield of Alabama will charge these **fees** as follows:

Only the BlueCard® Program access fee may be charged separately each time a claim is processed through the BlueCard® Program. If one is charged, it will be a percentage of the discount/differential Blue Cross and Blue Shield of Alabama receives from the Host Blue, based on the current rate in accordance with the Program's standard procedures for establishing the **access fee rate**. The access fee will not exceed \$2,000 for any claim. All other BlueCard® Program-related fees are included in our general administrative fee.

In addition to the access fee described above, the applicable general administrative fee is noted in Article III C.

4. Negotiated National Account Arrangements

As an alternative to the BlueCard® Program, your Member claims for covered healthcare services may be processed through a negotiated National Account arrangement with a Host Blue.

If Blue Cross and Blue Shield of Alabama and you have agreed that (a) Host Blue(s) shall make available (a) custom healthcare provider network(s) in connection with this agreement, then the terms and conditions set forth in Blue Cross and Blue Shield of Alabama negotiated National Account arrangement(s) with such Host Blue(s) shall apply. Employer agrees that the relevant participation agreement describes Blue Cross and Blue Shield of Alabama's responsibility in connection with the processing and payment of claims when Blue Cross and Blue Shield of Alabama Members access such networks.

Member Liability Calculation

Member liability calculation will be based on the negotiated price/lower of either billed covered charges or negotiated price (refer to the description of negotiated price under Section I.1.) made available to Blue Cross and Blue Shield of Alabama by the Host Blue that allows your Members access to negotiated participation agreement networks of specified participating healthcare providers outside of Blue Cross and Blue Shield of Alabama service area.

Fees and Compensation

Employer understands and agrees to reimburse Blue Cross and Blue Shield of Alabama for certain fees and compensation which we are obligated under applicable Inter-Plan Programs requirements to pay to the Host Blues, to the Blue Cross and Blue Shield Association, and/or to Inter-Plan Programs vendors. Fees and compensation under applicable Inter-Plan Programs may be revised in accordance with the Programs' standard procedures for revising such fees and compensation, which do not provide for prior approval by any groups. Such revisions typically are made annually as a result of Inter-Plan Programs policy changes and/or vendor negotiations. These revisions may occur at any time during the course of a given calendar year, and they do not necessarily coincide with your benefit period under this agreement.

In addition, the participation agreement with the Host Blue may provide that Blue Cross and Blue Shield of Alabama must pay an administrative and/or a network access fee to the Host Blue, and you further agree to reimburse Blue Cross and Blue Shield of Alabama for any such applicable administrative and/or network access fees. For this type of negotiated participation arrangement, any such administrative and/or network access fees will not be greater than the comparable fees that would be charged under the BlueCard® Program.

5. Non-Participating Healthcare Providers Outside Claims Administrator's Service Area

Member Liability Calculation

- a. In general, when covered healthcare services are provided outside of the Blue Cross and Blue Shield of Alabama service area by non-participating healthcare providers, the amounts a Member pays for such services will generally be based on either the Host Blue's non-participating healthcare provider local payment or the pricing arrangements required by applicable state law. In these situations, the Member may be responsible for the difference between the amount that the non-participating healthcare provider bills and the payment we will make for the covered services as set forth in this paragraph.
- b. Exceptions. In some exception cases, we may pay such claims based on the payment we would make if we were paying a non-participating provider inside of our service area, as described elsewhere in this agreement, where the Host Blue's corresponding payment would be more than our in-service area non-participating provider payment, or in our sole and absolute discretion, we may negotiate a payment with such a provider on an exception basis. In other exception cases, Blue Cross and Blue Shield of Alabama may pay claims from non-participating healthcare providers outside of our service area based on the provider's billed charge, such as in situations where a Member did not have reasonable access to a participating provider, as determined by us in our sole and absolute discretion or by applicable state law. In any of these exception situations, the Member may be responsible for the difference between the amount that the non-participating healthcare provider bills and the payment we will make for the covered services as set forth in this paragraph.

Fees and Compensation

No additional fees would apply for utilization of a non-participating provider. All non-participating associated fees are included in the general administrative fee.

J. Blue Distinction Centers and Blue Distinction Centers+

Blue Distinction Centers and Blue Distinction Centers+ (BDC and BDC+) are national programs administered by the Blue Cross and Blue Shield Association for the provision of certain specialty care services by participating BDC and BDC+ providers to Plan members. The Employer will pay the Claims Administrator an access fee when Plan members use the BDC or BDC+ global contracted arrangements outside of the Claims Administrator's exclusive service area (state of Alabama). The access fee is billed regularly throughout the year.

These charges are in addition to the Administrative Charge listed in Article III C.

ARTICLE VI - TERMINATION OF AGREEMENT

This Agreement and all rights hereunder may be terminated at any time by either the Employer or the Claims Administrator upon 30 days written notice to the other given in the manner prescribed by Article V; provided however, that termination of this Agreement shall not terminate either party's indemnification rights under Article V, nor shall it terminate the Employer's obligation to pay the Claims Administrator for the Cost of Claims and Administrative Charges related to Claims incurred before the effective date of termination of this Agreement. Other provisions of this Agreement that survive termination are specified elsewhere herein.
