___ You must bring this form and attached voucher with your pet to the veterinarian.

___ Unless you have a puppy or kitten younger than 16 weeks, your pet should **not have** food or water after 9 PM the night before surgery!

___ Transport your pet safely – your cat should be placed in a carrier and your dog should be on a leash.

___ Your pet needs to be clean for surgery – please bathe your pet prior to surgery.

___ Please bring proof of your pet's rabies vaccination to the surgery or attach rabies vaccination voucher.

___ This certificate cannot be used in conjunction with any other non-essential surgical procedures like ear or tail docking and declawing.

- I understand that surgery may be waived by the veterinarian due to the health or condition of the pet.
- I understand that other procedures will be offered by the veterinarian **at my expense**, including pain medications, bloodwork, and other testing, and that I have the right to **accept or decline** those services.
- I do not hold the City of Huntsville, service providers, or its agents responsible or liable for anesthesia, surgical or other risk associated with this program.
