- Will post meeting minutes to our website
- Discussions can become emotional, if you start to get angry...excuse yourself
- Restroom locations

### **Table Icebreaker – What was the best part of your day today?**

### **Tonight's Topic – Getting to Know Your Community & School Resource Officers (CROs/SROs)**

- Presentation by Officer Jonathan Savage (50-60 mins)
  - Introduce presenter(s)
- Small Group Breakout for discussion (50 mins)
  - Table Facilitator: HPCAC Member
  - At least 1 HPCAC member & HPD officer per table
  - Discuss what presented, ask questions
  - Recommendations?

**Small Group Wrap-up (10 mins total)**

- HPCAC member report out from each table. What new things were learned? Any policy change recommendations or things that should be clarified?
- Ideas proposed during this meeting:
  - To keep pace with the population growth of our community, we need to increase the number of CROs for each precinct from 2 to 4; CROs are specialized and take time to select and train (this could be a recommendation we move forward to the city council)
  - Use/leverage of the “influencer” community on social media to get the word out about HPD programs and topics; proposed by Jordan Moore (Rossow will follow-up with him on this idea)

**Final Notes**
